SECRETARY
U.S. NUCLEAR REGULATORY
WASHINGTON, D.C. 20555

DECEMBER 16, 1999

DEAR SECRETARY,

HAVE OUR CORPORATE MASTERS GONE MAD? ARE THEY SO BLINDED BY GREED THAT THEY CAN'T REALIZE THAT THEY TOO WILL GET SICK AND DIE YOUNG FROM RECYCLED RADIOACTIVE COPPER, STEEL, ALUMINUM AND CONCRETE?

NO RADIOACTIVE DOSE IS ACCEPTABLE EVEN WITH WARNING LABELS! WE CAN ONLY HOPE THAT THE NRC SUMMONS THE COURAGE TO GO AGAINST ORDERS AND DOES NOT LEGALIZE THE LARGE SCALE RELEASE OF THESE CONTAMINATED MATERIALS. PERHAPS YOU AND OTHERS ON THE NRC WOULD LOSE YOUR JOBS BUT YOU WOULD BE HEROES, SAVING COUNTLESS LIVES, AND YOUR BRAVE ACTION WOULD BE HONORED AND REMEMBERED.

SINCERELY,
THE WILSON FAMILY
