DOCKET NUMBER
PROPOSED RULE PR 20
(64FR35090)

281 Lum Rd.
Cincinnatus, NY 13040
12/18/99

DEC 29 99

Dear Mr. Richard Meserve

Radioactive waste in any form is a hazzard to the public. Children and women are at greatest risk and recycling any contaminated materials is a No-No!

That is why Citizens Against Radioactive Dumping (CARD) was formed. Many Radioactive Material Seminars were held in Cortland, NY. and defeat of the NYS Siting Commission and No dump at Taylor, NY

Zero radiation ought be the standard.

Sincerely, Allen H Lum
