DOCKET NUMBER
PROPOSED RULE PR 20
(64FR35090)

Lorraine Morong
117 Piscataqua Bridge Rd
Madbury, NH 03820-6805

DOCKETED
USNRC

Jan 2, 2000

The NRC
Wash., D.C.

'00 JAN 11 P2:10

This is written to demand that you

(1) keep radioactive waste and materials from nuclear power and weapons isolated from the public and the environment AND prohibit any "release" from regulatory control

(2) prohibit radioactive materials from entering the consumer marketplace or anywhere but licensed radioactive facilities

(3) recapture any such material which has been released

(4) work for an International Prohibition on radioactive "release."
