2/17/00

DEAR MR CHAIRMAN -

THE MATTER OF RADIOACTIVE MATERIALS IN CONSUMER PRODUCTS CONTAINING RECYCLED METALS IS A SERIOUS AND IMMEDIATE PROBLEM. FINALLY IN DEC 99 SAIC'S CONFLICT OF INTEREST IN EXPANDING THE SCOPE OF THE PROBLEM RESULTED IN A STOP WORK ORDER. THE SITUATION HAD EXISTED SINCE 1979.

PLEASE ACT NECESSARILY AND QUICKLY TO SEE THAT NO CONTAMINATED MATERIALS ENTER THE MARKETPLACE.

SINCERELY
EILEEN LEFORT
PAUL LEFORT
