DOCKET NUMBER
PROPOSED RULE PR 20
(64FR35090)

'00 MAR 21 A11:54

5-14-2000

Ms. Vietti-Cook,
This note is to inform you of our strong objection to using or "recycling" radioactive metals by mixing them with other metals to make consumer & industrial products. Please do what you can to have this practice stopped.
Thank you,
