Subject: Crystal River Unit 3 - Physical Security Plan, Revision 7-5

Dear Sir:

Pursuant to the provisions of 10 CFR 50.54(p), Florida Power Corporation (FPC) hereby submits Revision 7-5, to the Crystal River Unit 3 (CR-3) Physical Security Plan (PSP). This submittal replaces the current revision to the CR-3 PSP, Revision 7-4, in its entirety.

The CR-3 PSP is divided into two parts. Part One, when separated from the composite Plan, is a decontrolled document and can be treated as non-Safeguards Information. Part Two of the Plan contains Safeguards Information and is considerably smaller than Part One. Consequently, the handling and vulnerability of Safeguards Information is greatly reduced.

The Safeguards section of this document is appropriately designated and, as such, should be withheld from public disclosure and protected in accordance with 10 CFR 73.21.

Sincerely,

John Paul Cowan
Vice President
Nuclear Operations
