Dear ~~Ms. Maupin~~ Cardelia:

The purpose of this correspondence is to thank you for your recent participation in the Organization of Agreement States annual meeting in Santa Fe, New Mexico. Even though it was up in the air for most of the meeting, we were glad you were able to have the opportunity to participate in the panel discussion regarding allegations. The information you presented was most helpful. If I can be of further assistance, do not hesitate to contact me.

Sincerely,

Bill
