DEAR MR. LESAR,

I FEEL LIKE I AM SO LUCKY TO LIVE IN SUCH A PRISTINE PART OF GODS GOOD EARTH. I WILL DO ALL I CAN TO KEEP IT THAT WAY. I KIND-OF HAVE A PROMISE WITH HIM.

WE DON'T NEED LES MOVING INTO OUR QUIET, CLEAN COMMUNITY AND CREATING WASTE, POLUTION, TRAFFIC AND ALL ROUND TERMOIL. I DON'T THINK MADISON COUNTY NEEDS THAT SORT OF GROWTH.

HISTORY SHOWS, DESPITE ALL THE GUARENTEES, THERE ARE LEAKS.... AND CANCER... .... AND HIGH INSURANCE POLICIES. AND TONS OF WASTE!

WHY PUT MY HOME... MY BABY'S HEALTH AT RISK? IT ISN'T WORTH IT!

PLEASE GIVE THE CITIZENS OF HARTSVILLE MORE TIME TO CONSIDER THEIR FUTURE... IS THAT TOO MUCH TO ASK.

THANK YOU FOR YOUR TIME.

SINCERELY,
