Wa., D.C. 20555

Attn. Rulemaking and adjudications staff

4/30/03

Hi, Happy Spring!. Do not release any radio-active scraps and waste into the resource stream all such materials are hazards of unprecedented proportion + must be contained. Release for use in consumer products + landfills is tantamount to distributing cancer + mutations to the present and untold millenium to come. Please think of our children, the future. Do not deregulate nuclear wastes.

TOMMY WALEN
3427 Moore Rd. 99141
