RIC 2004

Communication and Emergency Preparedness; Session T-10

NRC & Licensee Communication During an Emergency

Mark Lemke

Emergency Planning Manager

DIABLO CANYON

Opening

- During the Diablo Canyon Evaluated Exercise in October of 2002, communications were challenged between the Site and NRC Headquarters.

Key Topics

- How do key stakeholders get timely and accurate information?
- Decision making: On-site or in Washington?
- How to communicate safeguards information.
