Subject: new license application		
I spoke to Dr. Lee and asked him to fax me a floor plan of the first floor of the building his office will be located in showing his space in relation to other occupants. Also For Item 10. Safe Use of Unsealed Licensed Material, I asked him to send me a revised statement for the first line of that section that includes a reference to 10 CFR 20.1301. I also described to him how the radioactive material and use conditions would appear on his new license “Any byproduct material permitted by 10 CFR 35.200" and “Any imaging and localization study permitted by 10 CFR 35.200". I gave him my fax number and the mail control number.
