4/14/99

Ray Caroll called me back at 10:00 a.m.
He said:

- He would check w/ Azarm, make a couple of calls, and get back to me.
- If he is unsuccessful in that regard, I can leave a voice mail msg for Travis who will call me back Monday [4/19/99].

4/19/99:
I spoke w/ R. Travis. He said to speak w/ Rich Davis.

I spoke w/ J. O'Brien. ① He said Rich Davis told him (J. O'Brien) on Friday, 4/16/99, that he has been unable to find the MACCS input so far. ② He (J. O'Brien) agreed to take the lead on getting the MACCS input decks from Rich Davis.
