Memorandum

TO : Robert L. Layfield, Acting Chief
Source & Special Nuclear Materials Branch, ML

DATE: July 14, 1964

FROM : Robert L. Stevenson, Acting Chief Robert L. Stevenson
Criticality Branch, ML

SUBJECT: UNITED NUCLEAR CORPORATION, WOOD RIVER JUNCTION, RHODE ISLAND - SHIPMENT OF URANIUM-ZIRCONIUM ALLOY SCRAP - DOCKET NO. 70-820 JULY 9, 1964

SYMBOL: ML:RHO

United Nuclear Corporation has requested a license amendment to be effective for a period of one year for the shipment of uranium-zirconium alloy scrap according to the procedures described in the subject license application. We recommend approval of this license amendment request.
