Dr. McLaughlin,

I have reviewed the Draft Environmental Assessment (EA) for Jefferson Proving Ground (JPG) that you forwarded to me. I have no major concerns or issues with this document that should impact the NRC proceeding as planned and scheduled. I appreciate your efforts to include IDEM in the review of the Draft EA for JPG. I look forward to any future inclusion in the assessment and decommissioning process for the Depleted Uranium (DU) impact area and license for JPG.

Thanks,
Kevin
