Interview of Joseph Edward Englehardt

No statement made NOT TO write PERs when Fuel load related

Atmosphere

layoffs

Start ups delays

Fuel load delays

Safety precautions were NOT undermined to save money or get plant up & running

People may NOT have written PERs due to having to work the per with less man power & too much overtime already

issue NOT to write PERs Addressed

Shon was present AT Work on May 11 95 would have been at meeting

6/4

if heard would have voiced AN objections
