Interview of Sammy Lee Lingingfelter
System Eng.

John Ferguson Day planner showed
Sammy was present.

Doesn't Recall Statement NOT TO
write PERs unless fuel had Related

Would have recalled A Statement
NOT TO write PER unless FL
WAS contradictory TO rules.

Always felt free TO write PER
Related TO anything.

No one ever voiced concern TO
Sam that they wasn't free TO write
A PER

Doesn't Recall writing PER during Time period
Always Addressed in A Timely Manner

PERs Never undermined TO get plant running
TO Save Money.

Lingerfelter pg 2

Recalls Management saying ~~don't~~ Be sensitive try to create unnecessary work By making issues with end of start up coming up

Would still be evaluated and caused man power to do evaluation

No note in Ferguson's planner about 10 PERS

PERS were evaluated issues & priorities & impact on system
