3/17/99

Comm Briefing - Power Rx Decomm.

Chairman

"opportunity to develop overall coherence"
"Driven by public outcry"
"risk + relative risk"
"Ability to model risk of site specific decomm."
Will factor risk into it.

NRR Stu Richards

Risk staff looking at overall risk - how get conditions for zirc fire! Is prob acceptably low.
2 months time integrated results + recommended approach.

Chairman

¿ Also applies to operating plants (e.g. large earthquakes)?
