Subject: Text regarding your presentation at the WPDD Topical session November 2005

Dear Bruce,

Thank you again for your work at the WPDD meeting in November and the Topical Session on Stakeholder Involvement!

I might have asked you before but would it be possible that you could put a small text together regarding your PowerPoint presentation that you did in the Topical Session? I am just editing the Proceedings and to just make copies of your presentation does not really work.

Please give me a response on the possibility of such a short paper. Could you in that case make it by April 26?

Sorry for bothering you on this, but the result and quality of the work will be so much better if you do it!

Take care!

Torsten
