Subject: acknowledgment of AREVA name change request (TAC L31937)

This email represents an acknowledgment that NRC has received letters as follows:

3/8/06 - notification of name change

3/17/06 - revised license pages for possession limit increase (includes name change)

3/27/06 - amendment request for name change

The name change will be incorporated into the amendment for increased possession limit. It is currently in the licensing concurrence process.
