2) Letter from BNFL Fuel Solutions to USNRC, "Notice of Company Name Change," BFS/NRC 06-001

Dear Mr. Brach:

In the Reference 2 letter, BNG Fuel Solutions Corporation (BFS) advised the NRC of a change in our parent corporation, BNG America, LLC, and of the pending acquisition by Energy*Solutions*, LLC. Effective February 27, 2006, BNG America, LLC, was acquired by Energy*Solutions*, LLC. BFS has continued to operate as a wholly owned subsidiary of Energy*Solutions*, LLC.

As part of a corporate identity change, effective on May 24, 2006, BFS changed its name to Energy*Solutions* Spent Fuel Division, Inc. (Energy*Solutions* SFD). Energy*Solutions* SFD continues to perform all quality-affecting activities under the NRC-approved BFS Quality Assurance Program. Energy*Solutions* SFD plans to submit a revision to the Manual of Quality Assurance for Energy*Solutions* Spent Fuel Division (QA Manual) to incorporate the company name change and corporate parent change; however, we will continue to operate under the current BFS QA Manual until such time as NRC approves the QA Manual revision.

Energy*Solutions* SFD also continues to perform the responsibilities of the Certificate Holder for all Certificates of Compliance (COCs) issued to the company under previous company names, including:

- Certificate No. 1007, Docket No. 72-1007, Ventilated Storage Cask (VSC-24)

The company name change will be incorporated into the next license amendment request for each CoC.
