Attention: Mr. W. H. Keller

Gentlemen:

Enclosed is Amendment Number 2 to Byproduct Material License 22-1465-5 extending the expiration date to February [illegible], 1966.

Because Mr. J. Reges has had no training and experience in the use of radioisotopes, we are unable to include his name on the license. Note, however, that Condition [illegible] license allows the use of radioisotopes by Mr. [illegible] the supervision of the authorized users. At such time that Mr. Reges acquires suitable training and experience, application may be submitted for the addition of his name to the license.

Sincerely yours,

[illegible]
