Tom, Amy:

Attached is the schedule we've devised for the alternate site tour the week of November 6. Please note the request for technical area specialists from GPC and APC to attend the meetings. Thanks.

mark

NRC TEAM

Mark Notich, EPM
Nancy Kuntzleman
Richard Raione

PNNL Team

Michael Sackschewsky, Team Lead
Christopher Cook, Hydrologist
Jennifer Amanda Stegen, Terrestrial Ecologist
Rebekah Krieg, Aquatic Ecologist
Paul Hendrickson, Alternatives Lead and Land Use
Darby Stapp, Cultural Resources

Applicant Specialists Requested:

Local specialists from each site for ecology, cultural resources, hydrology, these may be GPC or APC level ecologists, hydrologists, or other specialists - such as those who are in the field and responsible for issues such as T&E species, wetlands, air and water permitting, and environmental monitoring.

At least for one meeting either at Hatch or Farley, SNC should provide the person responsible the alternative site evaluation and final site selection - i.e. someone who can explain the process and how various factors were weighed in the decision.
