Waynesboro, GA 30830-4572

SUBJECT: REVISION TWO - APPLICATION BY SOUTHERN NUCLEAR OPERATING COMPANY FOR AN EARLY SITE PERMIT FOR THE VOGTLE SITE

Dear Ms. Jackson:

Enclosed to this letter is one hard copy and three electronic copies on CD of revision two, of the application by Southern Nuclear Operating Company (SNC) for an Early Site Permit (ESP) at the Plant Vogtle site. We request that you place the materials in this package with the previous application materials developed by SNC, that the U.S. Nuclear Regulatory Commission (NRC) provided to you in November 2006. We will be providing additional materials concerning the ESP application, as they become available.

Electronic versions of the documents are also available at the NRC's Public Document Room and in the Electronic Reading Room, accessible through the NRC Home Page (http://www.nrc.gov). The application is also available through the NRC's Agency wide Documents Access and Management System (ADAMS) by using accession number ML071700763.

We appreciate your willingness to assist the public in participating in the review process for the Plant Vogtle ESP.

Thank you for your cooperation. If you have any questions, you can reach me by telephone at 301-415-3053 or Laura Quinn at 301-415-2220. You may also e-mail us at mdn@nrc.gov or lmq1@nrc.gov.

Sincerely,

/RA/

Mark D. Notich, Project Manager
Division of Siting and Environmental Review
Office of New Reactors

Project No. 737
