Laura,
I have been in a series of meetings today and am just now getting to emails. Tremaine is out today. You can try her tomorrow.

I spoke with Linda Stevenson and she mentioned a Tremaine Donnell who also does the reviews. I have tried contacting her a few times this morning and I have left voice mails but I have not received anything back from her yet. Does she work for you?? Do you know if she is in the office?? I am trying to contact her for the Vogtle ESP EIS review that has a quick turn around schedule.
Thanks
