Dear Mr. Goorevich:

Enclosed for your information is a letter and application dated September 18, 2007, from BWX Technologies, Inc., Nuclear Operations Division - Lynchburg (BWXT NOD-L) requesting Amendment No. 03 to export License No. XSNM03060/02. This amendment is to: 1) transfer the current license from Transnuclear, Inc. as licensee to BWXT NOD-L as licensee; 2) remove BWXT as "Other Parties to Export" and insert the Department of Energy/National Nuclear Safety Administration (DOE/NNSA) and BWXT Y-12, LLC as "Other Parties to Export," and 3) extend the license expiration date from December 31, 2007 to December 31, 2012.

Since no other changes to the terms and conditions of the existing license are requested, we intend to issue this minor amendment after notice of this request is published in the Federal Register and the 30-day time period allotted for public review expires and it is determined that applicable export license criteria are met.

Sincerely,
