Bill,

In reference to letter dated July 5, 2007 (from Lynn McGuire, NHPP, to Cassandra Frazier, NRC) and in response to your earlier email dated September 25, 2007, please find attached additional information to assist you in your Environmental Assessment for the unrestricted release of a "Radwaste Storage Shed" also known as "Waste Area 3" at the Seattle VA. Note that much of this information was provided in our earlier letter. Please contact me if you have any questions regarding this information.

Best Regards,
Tom
