Summary:

I spoke with Mr. Setchel about the reported loss of a Barium-133 E-vial source and additional information required by NRC Headquarters. Mr. Setchel stated that, as of this date, the E-vial had not been recovered. I asked Mr. Setchel to determine the following: The manufacturer of the sealed source, its model and serial numbers, and the activity of the sealed source. Mr. Setchel stated that he would get back in touch with me with the information if it was available.
