This doctor is currently listed as an AU on KY RAM License # 202-156-24 for uptake, dilution, excretion, imaging & localization studies for witch a WD is not required. He was added last year by preceptor statement.

Matt,

We need to confirm that an authorized user is on a medical license. License number is 202-156-24 for Williamson Appalachian Regional Hospital. AU is Sukhdev Aujla, M.D. Need to confirm what authorizations he has. Any questions, let me know. Thanks.

Best Regards,
Jim
