George told me that the wording on the letter would be changed to complete by the date of receipt of the letter instead of from the date of the letter. That does not seem to have been done.

Greg,

I am working with my secretary Felicia Keith to resolve this issue. Sometimes ADAMS personnel takes a day or two to assign the ADAMS number.

Thanks,

Raj

Raj/George/Mark

I received 3 RAIs last week on 4/18 that were dated 4/16 (2-day delta), but one today that was dated 4/15 but received 4/21 (6-day delta).

The issue is one of starting the time clock for the response as of the date of the letter versus the date we receive it (which was the case in hard copy).

Recognizing that we are in the "beta test" period of all this, I just wanted to keep you appraised of the delta...

Thanks,

Greg Gibson
