Energy Solutions Import Licence
Application # IW023

DOCKET NO. 11005711

2381

Dear Sirs,

I think our Country in being treated very unfair to even consider dumping nuclear radioactive material on us. Italy has their own Country, let them dispose of their own waste. Do you think they would dispose of our ~~[illegible]~~ waste? No they would not. Please don't let them ruin our beautiful Country. Please stop this & protect us.

Sincerely,
Terrie L. Phillips
