Subject: Monticello EPU - Acceptance Review Question from Piping & NDE Branch (CPNB)

Lynne:

In lieu of questions, CPNB provided the following references showing, by comparison, information that appears to be missing in your 3/31/08 EPU application. As you can see, some go back several years.

Susquehanna, ML071000141, dated 4/10/07
Hope Creek, ML070460243, dated 2/23/07, 1st page of attachment
Vermont Yankee, ML033640138, dated 12/30/03, page 5 of attachment
Browns Ferry, ML043440045, dated 12/30/04, questions 2-4

Please inform me how you would like to address CPNB's comments.

Peter
