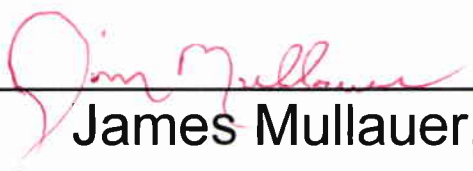
Phone conversation on 7/15/08 with Dana Suttle, R, Ph., RSO

The reviewer spoke to DS to inform her that her request to add a new pharmacist was not signed. DS stated that she would fax a signed version and would provide proof that the new pharmacist has applied for a pharmacist license in the State of Michigan. This information was received on July 22, 2008.



James Mullauer, 7/22/08
