Guy:
Someone else is working late tonight.

Were you in that meeting today with Eric Oesterle? Mark Tonacci had told me he was going to let me know today what time, but I never heard and could not find either of them until around 5PM. (I think one of them thought the other had contacted me.) So… I wasn't avoiding you guys - just not kept up to speed on time or place of meeting. But I had given Eric and Mark the information for Environmental Review schedule, so hopefully all was well with that.

Anyway - Amy has sent the appointment for the next two weeks. I will forward to Darby and his assistant at PNNL. Darby is out on Monday, but his assistant - Terri Miley will have the feedback from our conversation yesterday.

Talk to you on Monday.
Tami
