Mr. Bowling:

We will have extra tables set up at our scoping meeting for outside organizations. Those tables will be set up in an extra room we have in the second floor of the city hall (across from the meeting room.) It is a 'first come, first serve' situation.

Our facilitator for the meeting extends invitations to other interested parties. I have not heard from him whether any other groups have expressed interest in having a table set up. The facilitator for our meeting is Mr. Francis (Chip) Cameron here at the NRC.

I hope this helps.

Thank you. This helps greatly. Will organizations outside the NRC (the utility, opposition groups, etc.) be invited to staff booths during the open house sessions?

Mr. Bowling:

Your request is timely. The FRN was issued today. 73 FRN 31153

http://edocket.access.gpo.gov/2008/pdf/E8-12128.pdf

Our meeting notice, will be issued early next week. Until then, below are meeting details.

The staff is providing the public with an opportunity to participate in the environmental scoping meetings to be held on June 19, 2007. The first meeting will convene at 1:00 p.m. and will continue until approximately 4:00 p.m. The second meeting will convene at 7:00 p.m., with a repeat of the overview portions of the first meeting and will continue until approximately 10:00 p.m. These meetings will be held at the Port Gibson City Hall, 1005 College Street, Port Gibson, Mississippi. The NRC will present an overview of the COL environmental review process and will describe how the process will be implemented for the review of the GGNS COL application. NRC staff will be available for informal discussions with members of the public during "open house" sessions from noon-1PM and 6-7PM.

I hope this provides you with the necessary information. Please let me know if you have any additional questions.

Tami -- Eric Oesterle suggested I contact you about the upcoming environmental scoping meeting for Grand Gulf. Has the date of June 19 been confirmed? I'd like to ask when it'd be appropriate to begin our community notifications to let local civic leaders know the details of the meeting(s) -- in other words, whether you know the date the meeting will be placed in the federal register or announced on your Web site.

Thank you,
Mike Bowling
