Do you not have an electronic version?

I am currently at home and will be going straight to the NRC meeting in another building soon. Have not had the opportunity to check on the fax, so I just sent an email to Amoret asking her to check on it (our offices are in the same building - opposite ends of the hall). She will let you know if there were any problems with the fax.

Hi Nona,

I faxed the letter (3 pages) and the report (95 pages) separately as the fax is acting up… Please let me know if it comes through. Of course, if it does, please give a copy to Amoret.
