Michael,

I am still waiting for approval for some changes (attached emails) that were requested by Raj Anand on 5/15. He requested to have RAI 28-45 added to the RAI table.

I have made your changes. If you do not mind, can you please review Raj's request as well.

I would like to change this request as follows.

Label the current Additional Information table as " Requests for Additional Information - Final Safety Analysis Report "
Create a duplicate table labeled " Requests for Additional Information - Environmental Report" and put ML081360531 as RAI letter 01.

Thanks !

Please add ML081360531 to the Additional Information table as "RAI 01 (Environmental Report)". Please modify the current RAIs 01-27 to have "…(Final Safety Analysis Report)" added. Thanks.
