Subject: Summary of Conference Call of March 21, 2008, TVA-Bellfonte Application-RAI

This E-mail summarizes the Bellefonte Conference call (03/21/2008) related to RAI processing.

NRC attendees were Ravi Joshi and Joe Sebrosky.

Andrea Sterdis was the applicant spokesperson.

The RAI process (Office Instruction for processing RAIs) was discussed with TVA. It resulted in three action items for TVA. These are:

1. Options for receiving RAIs from NRC
   a. Initial RAI (reviewed through OGC) via e-mail and then a conference call ,if needed or
   b. Discuss the issue in general (instead of sending an initial RAI (no formal review like OGC review has occurred) in a conference call and then submit official RAI via e-RAI process to TVA.

2. In TVA, who should receive the email containing the initial RAIs and the official RAIs through e-RAI process?
3. TVA response to RAIs: Electronic Versus Paper mail?
