Ravi and Mark,

I wanted to provide to you 2 numbers that we can use as "standard numbers" for conference calls. We have designated 1 for ER type calls, and 1 for remaining COLA calls. Ravi, I can forward these numbers on to other Chapter PM's as necessary if that would be helpful. If a situation arises that we need to use a different number because of another conflict, I will let you know. But these should work most of the time.

For ER calls:

Dial-In: 866-232-8005
Conference Code: 7249143294

For other COLA calls:

Dial-In: 866-232-8005
Conference Code: 3012287099

I just wanted to make sure both of you had both numbers!

Thank you!

Amy
