YOUR COMMENTS ON THE YUCCA MOUNTAIN REVIEW PLAN, REVISION 2
DRAFT REPORT FOR COMMENT

MAY 2002

1. At the present storage sites, what would be the process to determine which ones would be move to the proposed yucca site first. If proximity to schools, age, condition?
2. How long has yucca mountain been under construction including studies & engineering as well as physical?
3.

What else would you like us to know?
