SUBJECT
FOLLOW-UP TO CALL OF OCTOBER 23, 1986 REGARDING CONFERENCE CALL WITH RHO ON NUMEROUS ITEMS

SUMMARY
CONFERENCE CALL - Not yet set up. J. Mecca wishes to have a complete agenda (list) of discussion topics. NRC indicated this was provided on Oct 23 but repeated earlier request. Because Jim Mecca insists on being present at the time of the call and because of other scheduling difficulties (RHO at LSA week of Nov 10TH) no call can be possible until later. NRC requested and was given a conference call time of Nov. 17 at 11am EST.
DOE Geologist - Hasn't reported for duty yet. Now scheduled for Nov. 10 arrival.
USGS Refraction Line - DOE has done nothing beyond Rokey's 1985 SGA abstract (RHO-BW-SA-435P).
CONFERENCE CALL - NRC requested Joe Price, Ann Tallman, Phil Long and Steve Reidel be participants in the phone call.
