MHI,

The attachment contains the subject request for additional information (RAI). This RAI was sent to you in draft form. Your licensing review schedule assumes technically correct and complete responses within 30 days of receipt of RAIs. However, MHI needs and we grant 60 days to ensure consistency across several sections connected to Tier 1, Section 2.7.1 to answer the RAI questions. We will adjust the schedule accordingly.

Please submit you RAI response to the NRC Document Control Desk.

Thanks

Jeff Ciocco
