Interested Parties:

COGEMA Mining, Inc. (COGEMA) has submitted a license renewal application to the Nuclear Regulatory Commission (NRC) for its Irigaray and Christensen Ranch uranium *in-situ* recovery facilities in Johnson and Campbell Counties, Wyoming. COGEMA has requested that the NRC renew its Source Materials License SUA-1341 for an additional 10 years. The Irigaray and Christensen Ranch facilities are located within the Powder River Basin of Wyoming, approximately 5 miles west of the Pumpkin Buttes. The application was accepted for technical

and environmental review by NRC staff on December 29, 2008. On February 9, 2009, a Notice of Request To Renew Source Materials License SUA–1341, COGEMA Mining, Inc., Christensen and Irigaray Ranch Facilities, Johnson and Campbell Counties, WY, and Opportunity To Request a Hearing was published in the *Federal Register*. The NRC is notifying you of COGEMA's license renewal request and the opportunity to request a hearing as you have been identified as a potential interested party.

The *Federal Register* notice can be reviewed at:
http://www.nrc.gov/about-nrc/regulatory/adjudicatory/hearing-license-applications.html

The deadline for requesting a hearing on this action is April 10, 2009. If you have any additional questions, please call me at 301-415-7777.

Sincerely:

Ron C. Linton
