Subject: RE: Information Needs Table Call

To expedite this round of clarifying discussions on information needs, we have opened up the potential topic options for the next two phone calls (Thursday, May 21 2:00PM ET and Tuesday, May 26, 2:00PM ET) to include:
alternatives
aquatic ecololgy
cultural resources
hydrology
land use
meteorology/air quality
need for power
benefit-cost
socioeconomic/environmental justice
transportation
terrestrial ecology
general information needs

So far, from NRC/PNNL/Numark we have a commitment for cultural resources on 5/26/09. Socioeconomics/environmental justice and benefit-cost can be discussed on 5/21/09.

Hopefully by the end of the day, or early tomorrow, we will be able to set up plans for clarifying discussions on other potential topics based on availability of personnel. Clearly we will not be able to go over everything but I am looking to go through items that are amenable to improving your understanding of what information is being requested and our understanding of what information you are making available.

Thanks.....

Subject: Information Needs Table Call

Bruce, we can support a call tomorrow (5/21) at 2 pm Eastern.

We understand the subjects will be ecology, need for power, socioeconomic and cultural resources. Let me know if there are other topics. I also understand PNNL will issue a meeting invitation with connection logistics.

We have also tentatively planned a call for Tuesday 5/26 at 2 Eastern, with the subject areas to be discussed on our call tomorrow.
