SUBJECT: Question re: license amendment

SUMMARY

I called Ms. Atkiels at Cardinal Health to verify that Hoang T. Nguyen was listed on their list of Authorized Nuclear Pharmacists (ANPs). She confirmed that Cardinal Health does name its own ANPs and they are not individually listed on the Cardinal Health license (No. 04-26507-01MD). This is permitted by L/C 13 of the Cardinal license (Lic. No. 04-26507-01MD). Based on this, I will proceed to list him on the Mallinckrodt license as requested.
