SUBJECT: REQUEST FOR ADDITIONAL INFORMATION REGARDING THE REVISED WESTINGHOUSE DECOMMISSIONING COST ESTIMATE (TAC NO. L32850)

Dear Mr. Couture:

We have completed our review of your application for a revised decommissioning cost estimate under materials license SNM-1107 transmitted by letter dated June 24, 2009. Our review of your submittal has identified that additional information is needed before final action can be taken on you submittal.

The additional information, specified in the enclosure, should be provided within 30 days from the date of this letter.

Pending additional information, which answers the request for additional information, we anticipate completing our review by January 2010. This date could change depending on the findings of our technical review, urgent assignments, or other factors. We will promptly communicate any significant changes to this schedule.

If you have any questions regarding this matter, please contact me at (301) 492-3189, or via e-mail at christopher.ryder@nrc.gov. Please reference the above TAC No. in future correspondence related to this request.

In accordance with Title 10 of the *Code of Federal Regulations* 2.390 of the U.S. Nuclear Regulatory Commission's (NRC's) "Rules of Practice," a copy of this cover letter will be available electronically for public inspection in the NRC Public Document Room or from the Publically Available Records (PARS) component of the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web Site at http://www.nrc.gov/reading-rm/adams.html. The enclosure is not publically available.

Sincerely,

/RA/

Christopher Ryder, Project Manager
Fuel Manufacturing Branch
