DL&R:NDM
Docket No. 50-171

DEC 21 1960

Philadelphia Electric Company
1000 Chestnut Street
Philadelphia 5, Pennsylvania

Attention: Mr. Vincent P. McDevitt
Vice President & General Counsel

Gentlemen:

Enclosed herewith for your information is a copy of a report, dated December 10, 1960, by the AEC's Advisory Committee on Reactor Safeguards concerning the proposed Peach Bottom Atomic Power Station.

We shall communicate with you shortly regarding action on your application for a license for this facility.

Sincerely yours,

Director
Division of Licensing and Regulation

Enclosure:
ACRS Report dated 12/10/60
