Subject: Issuance of amendment 42
Date: Monday, November 09, 2009 5:09:00 PM

Amendment No. 42 to License 11-27312-01 has been issued on November 9, 2009 authorizing the use of 10 CFR 35.300 material at the Radiation Therapy Treatment Center in Twin Falls, Idaho. The license will arrive in the mail within a few days. Please accept this email as advanced confirmation that the amendment has been issued.

At a later date, please provide diagram of the area where 35.300 material will be stored and/or used, injection area, and description of radiation survey instrumentation that will be used. When submitting this information make reference to mail control number 472463 and ask that the information be docketed in St. Luke's file to support amendment no. 42 issued on November 9, 2009.

Thank you.
