RE: Stolen CPN Nuclear Gauge SnMD20801021

On February 16, 2005, The above nuclear gauge was stolen from Ramón E. Ruiz Toledo vehicle. The nuclear gauge was located inside the carrying case and the case was secured by chains/pad locks to the vehicle. The chain was cut and the nuclear gauge/case/chains were removed. Mr. Ruiz Toledo was inspecting the asphalt and the vehicle was temporary out of site due to the blind spots around the corners of the road. The handle of the nuclear gauge inside the case was not locked. The incident occurred between 3:30 to 4:00 pm on PR 837 in Guaynabo at the Barrio Camarones site. The police and NRC were immediately notified. The police report is number is 05-7-132-02011.

The following media staions were notified:

Channel 2 WKAQ TV station at 4:42 pm
Channel 4 WAPA TV station at 5:18 pm
Univision of Puerto Rico TV station at 4:46 pm

Today the radio stations and news paper will be notified. There will be a reward offered for the return of the nuclear gauge.
