**RE: License Number 13-01787-01**
**Request for Amendment - Change of RSO**

Dear Reviewer:

This letter serves to notify the NRC of our desire to amend the above license as follows:

1. Removal of John J. Mathis, D.O., as our current facilities RSO
2. Removal of John J. Mathis, D.O, as an authorized user from our license
3. Name Garry Malnar, D.O., as our current RSO, who is currently listed as an authorized user on our license.

Attached is a signed, "Radiation Safety Officer's Delegation of Authority".

This change will not become official until the NRC has approved the requested amendment.

We thank you in advance for your prompt attention to this matter.

Should you have any questions or concerns, please contact our facility by telephone at (812).882.5220

Sincerely,

Matthew Bailey, FACHE
President / CEO

**DELEGATION OF AUTHORITY**

**To:** Garry Malnar, D.O., New Radiation Safety Officer

**From:** Matthew Bailey, FACHE
President and CEO

**Subject:** Delegation of Authority

You, Garry Malnar, D.O., have been appointed Radiation Safety Officer and are now responsible for ensuring the safe use of radioactive materials as used under the Nuclear Regulatory Commission License. As provided for in the license, you are responsible for managing the radiation protection program; identifying radiation protection problems; initiating, recommending, and/or providing corrective action(s); verifying implementation of any such corrective action(s); stopping unsafe activities and practices; and ensuring compliance with all regulations pertaining to the Nuclear Medicine Program.

You are hereby delegated the authority necessary to met those responsibilities, including prohibiting the use of radiopharmaceuticals and radioactive materials by employees who do not meet the necessary requirements and shutting down operations where justified by radiation safety. You are required to notify management of situations where staff is not cooperating and addressing radiation safety issues. In addition, you are free to raise issues directly with the United States Nuclear Regulatory Commission at any time.

Matthew Bailey, FACHE
President and CEO
