Subject: REVISED TAR for Chemical Safety - Vallecitos License Renewal - Alex Murray
Attachments: TAR - GEH Vallecitos - Chemical Safety.doc

Tom,

Regarding the TAR for Alex Murray, I needed to make adjustments in the schedule and the level of effort in order to make more effective use of staff time.

Please replace the TARs for the review of the license renewal of Vallecitos materials license SNM-960 that was sent to you by Peter Habighorst on Monday, March 1, 2010.

Thanks.

Chris Ryder
